SUBMITTING YOUR APPLICATION

FIRST STEP: Send us your application by email (abdelkader.slifi@enpc.fr):

- **Completed Application form**
- **A copy of your ID card or valid passport;**
- **Your resume;**
- **A typed cover letter** explaining your reason for applying to the Program
- **A typed letter of intent**, describing your motivation letter indicating what are the motivations of your application and including particularly:
 1. Brief description of your professional plans
 2. Reason for applying for this Master's program
 3. What are your expectations of this Master?
 4. What you will bring to the Master Program (strengths capabilities) to enhance the content of the courses.
 5. What obstacles do you need to overcome to be successful in the Program?
 6. Briefly describe a recent experience in your life where you had to demonstrate your ability to perform.
 7. If your application is denied, what are your plans?
 8. Additional information you would like to present to the admissions panel.
 9. Date & signature
- Candidates must submit an applied research paper of 20 pages on one of the following topics:
 1. The different sectors of Project Finance
 2. Financing wind farm projects in France
 3. Financing stadium projects
 4. Infrastructure BOT
 5. Financing renewable energy in France
 6. Public-private partnerships in France
 7. Other Examples related to Project Finance

This research paper must include an introduction, examples, updated figures & bibliography

- **A scan of the required degrees** (for foreign degrees, translated into French or English and certified as true copies). Regarding "in progress" degrees, please specify the expected graduation date and submit as soon as possible the certificate (certified as a true copy);
- **Reference Letters** from your supervisors (academic or professional).
- An ID photo.

SECOND STEP: If your application is accepted, you will be contacted for an interview with the admissions panel (this interview can be made, if needed as a teleconference).

THIRD STEP: If you're admitted to the program, you will be contacted to provide

- Your admission request which commits you (or your financing source) to pay 10% of the total program fees at the time of registration.
